REPORT OF THE ENTERTAINMENT COMMITTEE

of the

MILWAUKEE RADIO AMATEUR'S CLUB, INCORPORATED.

Milwaukee.

September 1, 1927.

This Committee was appointed in the early part of the Club year with Mr. Frank J. Jutrash and Willmer Schuh as members. Various activities were outlined but for various reasons, chiefly the lateness of the year, and the Lenten Season, dances considered were not held. However, the high spot of the Club's entertainment activities, namely the Annual Q S O Party was held on May 28th, 1927, in the Club Rooms of the Milwaukee Press Club and one of the greatest affairs in the Club's history took place.

Features of the evening were a Roast dinner with the trimmings, a number of songs by the Harmony Honeys, two pleasing and likable young ladies who entertained the gang with songs and pieces played on ukes and talks by various hams who were present. Mr. Hoffman gave a talk on a five meter transmitter and Mr. Schnell made a plea for greater interest and enrollment in the naval reserve radio net and pointed out the advantages to be gained individually and as members of the Radio League. Numerous prizes were awarded which consisted of a crystal and mounting, short wave coil mounts, loudspeaker, pyrex battery plate, a fountain pen and eversharp pencil. After the dinner, the ganga amused themselves in singing songs and whooping it up generally. Refreshments were served later in the evening and may have had something to do with the liquid voices of some of the hams. The report would not be complete if mention was not made of the Mexican hats worn by the Illinois gang who trooped in about a dozen strong and who aided

materially in having a good time. Mention must also be made of our Toastmaster, Bobby Knauf, who incidentally is the club's vice-president and in the winter wears a XXXXXXXXX calfskin vest whose skin you love to touch. President Catel, was there of course; Crapo SCM, if I remember was conspicuous by his absence but 9 DLD gave us an interesting talk on routes. As I said before, the Illinois gang was in force, Milwaukee hams made a good showing, Racine gang reciprocated our attendance at their party at Hotel Racine by a goodly number, Stevens Pt, Mr Ash, Rasmussen of Oshkosh (who won the crystal) and West allis was represented by the Schunck Bros. Sec. and Membership Chairman respectively. All in all it was voted a hot party and the Chairman has received many inquiries as to when another one will be held.

Another affair of interest to the Milwaukee gang and to which their state friend were invited, was the annual outing. While the State attendance was not so great those attending had a good time. The chairman was unfortunate in not being able to be present on accoutn of being ordered to the Military Camp during that period but Mr. Schuh the other member of the Entertainment (who will be held responsible for the balance of this report) took charge. The following is quoted "as is" from his report to me.

"When is a ham not a ham? When he is a picnicker? Hi! The annual picnic was held at Moose Lake Beach, July 31st and among those who participated in the various contests, we imagine, were a number with stomach aches. Such nice ripe melons were enough to make any Y L break her diet. The baseball game was a failure? - because we lost - the brass pounders beat the key-clickers 19 to 7. After a swimming race and a good supper (lucky the swimming was first) we left for our shacks to let our DX friends know what a swell time we had."

The future entertainment activities are of course unknown. The club starts its season shortly and when the wished of the gang have been sounded, we will again strip for action.

The Chairman wishes to take this opportunity to thank his fellow

Committee member and all other club members for the kind and able suggestions and assistance rendered to the Committee.

FRANK J. JUTRASH, 9 A L L, Chairman,
WILLMER R. SCHUH "Bush"
ENTERTAINMENT COMMITTEE.
